## Woven Rack Cover with Window

- Heavy-duty, 15-mil PVC vinyl with transparent PVC window (as pictured above).
- Option for heavy-duty, 15-mil PVC vinyl without window (fully woven).
- All Woven Rack Covers are 23"X28"X63".
- Features 3, full-length, reinforced zippers for access to both front and side panels of bakery racks.
- Helps increase product shelf-life and prevent contamination.
- Easy to clean and maintain.
- Re-usable Bakery Rack Covers eliminate individual product wrapping and provide hundreds of dollars in savings when compared with disposable rack covers.

## Clear Bakery Rack Covers

- 12-mil vinyl PVC material, completely transparent see-through material.
- All Clear Bakery Rack Covers are 23"X28"X63.
- Features 3, full-length, reinforced zippers for access to both front and side panels of bakery racks.
- Helps increase product shelf-life and prevent contamination.
- Easy to clean and maintain.
- Re-usable Bakery Rack Covers eliminate individual product wrapping and provide hundreds of dollars in savings when compared with disposable rack covers.
